

War Eagle!

I hope this finds all of you well and looking forward to returning to campus soon. As the University begins to reopen its doors, classes resume and students return in limited capacity I want to remind you all that the health and well-being of our university and community is our highest priority.

In response to the current pandemic and in alignment with Auburn University policy, the following changes have been implemented and will remain in place for the foreseeable future for the Veterans Resource Center.

**** IN ACCORDANCE WITH UNIVERSITY POLICY A MASK WILL BE WORN INSIDE FOY HALL AND THE VRC****

- Student veterans enrolled in classes for the summer sessions who wish to utilize the VRC will be welcome during normal working hours. For meetings afterhours access and general visitation please contact me directly.
- If you have the need to meet personally with your School Certifying Official, please contact them directly and set up an appointment. No walk-ins will be accepted.
- Social distancing and capacity restrictions will be enforced.
- VRC processing has transitioned to online only. All forms must be sent via email and no longer will be accepted in person. If you require a specific form, you will be directed to our website.
- Daily staffing will be limited.

This situation continues to change and as such, we will continue to follow the guidance provided by the university. In addition, we promise to do all that we can to keep our staff, student veterans, students and visitors safe – all while delivering you the best service we can.

Thank you for your continued support and patience as we navigate this challenging time.

Stay Well

Puck

Paul “Puck” Esposito
